TECHNICAL DATA SHEET

Multiple use Concentrate Powerful Enzyme-Based Cleaner Degreaser

It is a powerful enzyme-based degreaser concentrate with LIPACE & PROTEASE innovative features. At ambient temperature, the proprietary blend of enzymes and surfactants will quickly emulsify and dissolve stubborn stains for a deep- clean on all surface areas. It has been formulated to enhance performance on vertical surfaces making ideal for use on walls, hangars, boats, farm equipment, home and restaurant counters and kitchen floors. It contains no solvents and does not release harmful and flammable vapors, pH neutral and biodegradable. Offers a safe alternative to inorganic solvents, eliminating health risks and the need to dispose of chemical waste frequently.

DOSAGE:

- Dilute up to 40 times (1L in 40L Water)
- For difficult grease buildup dilute up to 20 times with water.

HANDLING:

Pour or spray the diluted product directly on metallic surfaces or floor, leave for a few minutes, rinse with water without need to rub.

CAUTION: Irritant

May irritate eyes, may irritate the skin

Do not mix with other chemicals at home. Avoid contact with eyes. Avoid contact with skin or clothing. Keep out of the reach of children.

FIRST AID

Contains Alkyl polyglucosides; Lipesterase; Ethoxylated alcohol; L-Glutamic acid, N, N-diacetic acid tetrasodium

If swallowed, call a poison control center or doctor. Do not induce vomiting. In case of contact with eyes, rinse with water for at least 15 minutes. In case of contact with skin, rinse well with water. If inhaled, remove to fresh air exposed person.
